The second living room, since 1903.

For 120 years, friends, acquaintances, or business partners have been meeting in our street café.

Or as we Viennese say, in the second living room.

Here, you experience the renowned Viennese coffeehouse culture - which, by the way, was added to

the list of intangible UNESCO cultural heritage in November 2011. In a traditional atmosphere, you'll find

everything that has made the Viennese coffeehouse world-famous: coffee specialties, the most important

domestic and foreign newspapers, refined Viennese cuisine, daily fresh, homemade pastries, and,

of course, a glass of water with your coffee.

We wish you an enjoyable stay.
